DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on March 16, 2004 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

2. Claims 1-20 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Claims 1 and 9 teach of a disk drive for reading and/or writing data in a plurality of concentric tracks and wherein the tracks contain servo information detectable by the head. The distinguishing elements of the claim are a servo control processor comprising a dual-stage controller for simultaneously generating a primary actuator control signal and a secondary actuator control signal, and a single-stage controller for generating for generating only a primary actuator control signal and being selectable by the processor in response to failure of the secondary actuator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
